

"MODON" News

The Saudi Industrial Property Authority (MODON) signed a memorandum of understanding (MoU) with the Saudi Women's Innovation Foundation to work on developing the industry and industrialists in Jazan, and to enable small and medium enterprises to start their investments within the industrial cities in the region. The (MoU) was signed on Wednesday in MODON's headquarters in Riyadh.

The Saudi Industrial Property Authority (MODON) signed a memorandum of understanding (MoU) with Huawei Tech Investment Saudi Arabia to transform its industrial cities into smart cities that correspond to development and progress. The cities will enable factories to automate operations and benefit from technological advances in facilitating managerial transactions, monitoring, quality control, and remote product tracking.
